

## Subjects Presented in this Text

### Bible Subjects

- **Psychology** – The study of man's relationship to God (10 lessons) – Lessons 1A, 9A, 21A, 28A, 29A, 32A, 34B, 37A, 37C, 47A
- **Sociology** – The study of man's relationship to God and others (14 lessons) – Lessons 1A, 2A, 4A, 5C, 8A, 10A, 13A, 18A, 20A, 21A, 24A, 31A, 37B, 47B
- **Apologetics** – The study of how God reveals Himself to man (7 lessons) 3A, 5D, 8A, 22C, 34A, 36D, 40B

### Science Subjects

- **Biology** – The study of God's creation of living things. It includes the study of plants, animals, microbes, genetics and reproduction, anatomy and physiology, and ecology. (28 lessons) 5B, 9A, 9B, 10B, 11A, 14A, 15A, 17A, 22A, 22B, 27A, 30A, 33A, 35C, 37B, 39A, 39C, 39D, 40A, 41A, 43A, 46B, 48A, 48B, 48C, 49A, 49E, 49G
- **Earth Science** – The study of God's creation of heaven and earth (8 lessons) 5D, 11A, 22C, 25A, 32B, 45C, 50A, 50B
- **Chemistry** – The study of God's creation of matter and energy. It includes the study of elements, compounds, phases, reactions, oxidation and reduction, acids, bases and salts, and organic chemistry (6 lessons) 11A, 22C, 26B, 32B, 43B, 49F
- **Physics** – The study of God's creation of energy and motion. It includes the study of force and motion, waves, atoms, energy and heat, and technology (10 lessons) 3A, 5A, 11A, 12A, 22C, 23A, 30B, 36B, 39B, 45C

### History Subjects

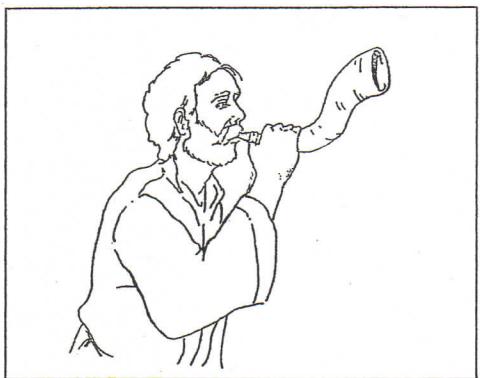

- **World History** – The study of God's dealing with mankind from the creation to the present (11 lessons) 3A, 8A, 20A, 24A, 26A, 30B, 35A, 36D, 42A, 45A, 45B
- **United States History** – The study of God's dealings with the United States (17 lessons) 2A, 5C, 6A, 6B, 7A, 7B, 16A, 18A, 19A, 23B, 24A, 26A, 28A, 36A, 38A, 43C, 45B
- **Government** – The study of authority (8 lessons) 2A, 7B, 24B, 24C, 32D, 36C, 42A, 44A
- **Economics** – The study of material value (6 lessons) 32C, 46A, 46C, 49B, 49C, 49D

Note: Many lessons contain information from more than one subject.

# Table of Contents

## Volume 5 – Joshua to Solomon

|   |    |
|---|----|
| Note to the Teacher.....                                  | xi |
| Introduction – King Josiah’s Discovery – II Kings 22..... | 1  |
| <i>Overview – The Leadership of Joshua.....</i>           | 9  |

**Note – Many lessons contain information for more than one subject.**

### Lesson 1 – Joshua 1:2-24 – Joshua Becomes Israel’s Leader.....11

- A - Psychology – Leadership Development
- A - Sociology – Passing on Leadership

### Lesson 2 – Joshua 3:1-5:15 – Joshua Meets God’s Captain.....15

- A - Sociology – The Structure of the Military
- A - U.S. History – The Control of the Military in the U.S.
- A - Government – The Role of Armies

### Lesson 3 – Joshua 6:1-27 – The Attack on Jericho.....19

- A - Apologetics – Evidence of the Destruction of Jericho
- A - Physics – Energy in Sound Waves
- A - World History – The Jews Begin the Conquest of Canaan

### Lesson 4 – Joshua 7:1-8:35 – The Sin of Achan.....23

- A - Sociology – How one man’s sin affects others

**Lesson 5 – Joshua 9:1-10:43 – Joshua Meets the Gibeonites.....27**

- A - Physics – Gas Expansion
- B - Biology – Bread Mold
- C - Sociology – The Value of Keeping a Vow in Relationships
- C - U.S. History – The Importance of Keeping National Vows
- D - Apologetics – Evidence of the Sun Standing Still
- D - Earth Science – Bending of the Sun's Rays
- D - Physics – Light Refraction

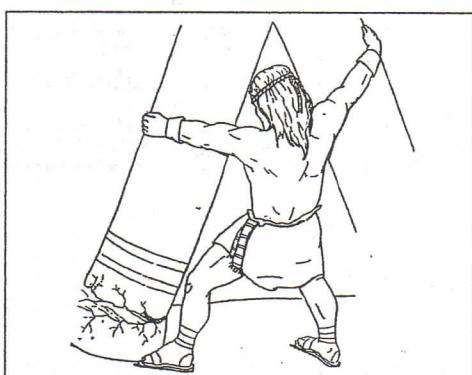

**Lesson 6 – Joshua 11:1-22:34 – The Tribes of Israel Inherit Their Land.....41**

- A - U.S. History – Westward Expansion
- B - U.S. History – The Development of Regional Differences

**Lesson 7 – Joshua 23:1-24:33 – Joshua's Last Words.....49**

- A - U.S. History – America's Great Awakenings
- B - U.S. History - America's Covenant with God
- B - Government – Church and State Relationships

**Overview – *The Leadership of the Judges*.....57**

**Lesson 8 – Judges 1:1-3:11 – After Joshua's Death.....59**

- A - Apologetics – The Propagation of Christianity
- A - Sociology – Passing Christianity to the Next Generation
- A - World History -

**Lesson 9 – Judges 3:12-31 – The Judge Ehud.....63**

- A – Psychology – Right and Left Brain Control and Responses
- A – Biology – Right and Left Hemispheres of the Cerebrum
- B – Biology – The Metabolism of Fat

**Lesson 10 – Judges 4:1-5:31 – Deborah and Barak.....71**

- A – Sociology – Women Leaders
- B – Biology – How the Skull Protects the Brain

|  |     |
|--|-----|
| <b>Lesson 11 – Judges 6:1-8:35 – The Judge Gideon.....</b>                     | 79  |
| ▪ A – <u>Biology</u> – Controlling Variables in Experimentation                |     |
| ▪ A – <u>Earth Science</u> – Controlling Variables in Experimentation          |     |
| ▪ A – <u>Chemistry</u> – Controlling Variables in Experimentation              |     |
| ▪ A – <u>Physics</u> – Controlling Variables in Experimentation                |     |
| <b>Lesson 12 – Judges 9:1-57 – The Judge Abimelech.....</b>                    | 83  |
| ▪ A – <u>Physics</u> – Acceleration Due to Gravity                             |     |
| <b>Lesson 13 – Judges 10:1-12:15 – Trouble Between Gilead and Ephraim.....</b> | 87  |
| ▪ A – <u>Sociology</u> – Regional Speech Accents                               |     |
| <b>Lesson 14 – Judges 13:1-14:20 – Young Samson.....</b>                       | 91  |
| ▪ A - <u>Biology</u> – The Nature of Bees                                      |     |
| <b>Lesson 15 – Judges 15:1-16:31 – Samson’s Exploits.....</b>                  | 95  |
| ▪ A – <u>Biology</u> – Bone Strength   |     |
| ▪ B – <u>Biology</u> – Muscle Strength   |     |
| <b>Lesson 16 – Judges 17:1-18:31 – The Danites Increase Their Land.....</b>    | 103 |
| ▪ A - <u>U.S. History</u> – The Louisiana Purchase                             |     |
| <b>Lesson 17 – Judges 19:1-21:25 – The Tribe of Benjamin Attacked.....</b>     | 107 |
| ▪ A – <u>Biology</u> – Genetically Linked Traits                               |     |
| <b><i>Overview – The Life of Ruth.....</i></b>                                 | 111 |

|   |     |
|---|-----|
| <b>Lesson 18 – Ruth 1:1-22 – Ruth Comes to Israel.....</b>    | 113 |
| ▪ A – <u>Sociology</u> – The Life of the Immigrant            |     |
| ▪ A – <u>U.S. History</u> – Immigrants to the United States   |     |
| <b>Lesson 19 – Ruth 2:1-4:22 – Ruth Marries Boaz.....</b>     | 117 |
| ▪ A – <u>U.S. History</u> – Examples of Successful Immigrants |     |

*Overview - The Life of Samuel*.....121

**Lesson 20 – I Samuel 1:1-2:11 – The Birth of Samuel.....123**

- A – Sociology – Family Pride
- A – World History – The Impact of the Prophet Samuel

**Lesson 21 – I Samuel 2:12-3:21 – God Speaks to the Child Samuel.....127**

- A – Psychology – A Child Can Serve God
- A – Sociology – Children Can Serve God

**Lesson 22 – I Samuel 4:1-6:21 – Israel Loses the Ark of the Covenant.....131**

- A – Biology – The Vertebral Column
- B – Biology – The Swelling of Tissues
- C – Apologetics – Telling the True God from the false god
- C – Biology – Controlling Variables in Experimentation
- C – Earth Science – Controlling Variables in Experimentation
- C – Chemistry – Controlling Variables in Experimentation
- C – Physics – Controlling Variables in Experimentation

**Lesson 23 – I Samuel 7:1-17 – The Ministry of Samuel.....141**

- A – Physics – Electrical Circuits
- B – U.S. History – Circuit-Riding Preachers

*Overview – The Reign of King Saul.....149*

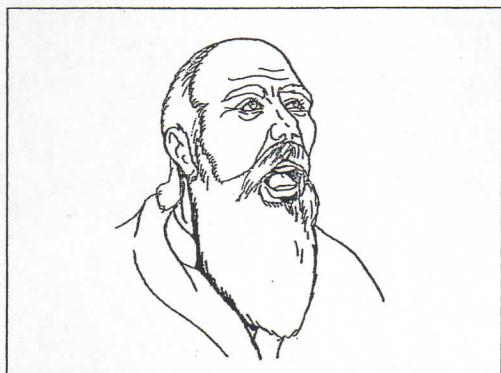

|   |     |
|---|-----|
| <b>Lesson 24 – I Samuel 8:1-10:27 – Saul Chosen to be King.....</b>           | 151 |
| ▪ A - <u>Sociology</u> – People Want Strong Leaders                           |     |
| ▪ A – <u>World History</u> – The First King of Israel                         |     |
| ▪ A – <u>U.S. History</u> – Problems with the Articles of Confederation       |     |
| ▪ B – <u>Government</u> – Strong Leaders and Maintaining Individual Liberties |     |
| ▪ C – <u>Government</u> – Amending the Constitution                           |     |
| <b>Lesson 25 – I Samuel 11:1-12:25 – Saul Defeats the Ammonites.....</b>      | 161 |
| ▪ A – <u>Earth Science</u> – Mediterranean Climate                            |     |
| <b>Lesson 26 – I Samuel 13:1-23 – King Saul Disobeys God.....</b>             | 165 |
| ▪ A – <u>World History</u> – Advances in Warfare                              |     |
| ▪ A – <u>U.S. History</u> – Submarine Warfare                                 |     |
| ▪ B – <u>Chemistry</u> – Metal Alloys   |     |
| <b>Lesson 27 – I Samuel 14:1-52 – Jonathan Defeats the Philistines.....</b>   | 173 |
| ▪ A – <u>Biology</u> – The Release of Energy in the Cell                      |     |
| <b>Lesson 28 – I Samuel 15:1-35 – Saul’s Downfall.....</b>                    | 177 |
| ▪ A – <u>Psychology</u> – The Harmful Effects of Rebellion                    |     |
| ▪ A – <u>U.S. History</u> – The Salem Witch Trials                            |     |
| <b><i>Overview– The Reign of King David.....</i></b>                          | 181 |

|  |     |
|--|-----|
| <b>Lesson 29 – I Samuel 16:1-23 – David is Anointed King.....</b>                  | 183 |
| ▪ A – <u>Psychology</u> – How Music Affects the Emotions                           |     |
| <b>Lesson 30 – I Samuel 17:1-58 – David Kills Goliath.....</b>                     | 187 |
| ▪ A – <u>Biology</u> – Beneficial Uses of Molds                                    |     |
| ▪ B – <u>Physics</u> – Angular Acceleration and Momentum                           |     |
| ▪ B – <u>World History</u> – The Rise of David to Prominence                       |     |
| <b>Lesson 31 – I Samuel 18:1-20:42 – The Friendship of David and Jonathan.....</b> | 195 |
| ▪ A – <u>Sociology</u> – The Nature of Friendship                                  |     |

|   |     |
|---|-----|
| <b>Lesson 32 – I Samuel 21:1-24:22 – Saul Tries to Kill David.....</b>                | 199 |
| ▪ A – <u>Psychology</u> – The Nature of Insanity                                      |     |
| ▪ B – <u>Earth Science</u> – Cave Formations  |     |
| ▪ B – <u>Chemistry</u> – Calcium Carbonate Reactions                                  |     |
| ▪ C – <u>Economics</u> – Factors Related to Economic Distress                         |     |
| ▪ D – <u>Government</u> – When a Ruler Supersedes His Authority                       |     |
| <b>Lesson 33 – I Samuel 25:1-44 – David Seeks Nabal’s Help.....</b>                   | 213 |
| ▪ A – <u>Biology</u> – Strokes  |     |
| <b>Lesson 34 – I Samuel 26:1-31:13; I Chronicles 10:1-14 – The Death of Saul.....</b> | 217 |
| ▪ A – <u>Apologetics</u> – Witchcraft   |     |
| ▪ B – <u>Psychology</u> – The Nature of Encouragement                                 |     |
| <b>Lesson 35 – II Samuel 1:1-4:12; I Chronicles 11:1-40 – David Becomes King.....</b> | 225 |
| ▪ A – <u>U.S. History</u> – Monuments   |     |
| ▪ B – <u>Government</u> – Forms of Government   |     |
| ▪ B – <u>World History</u> – The Establishment of the David Throne-Line               |     |
| ▪ C - <u>Biology</u> – Bones of the Feet and Ankles                                   |     |
| <b>Lesson 36 – II Sam. 5:1-10:19; I Chron. 13:1-14 – David’s Accomplishments.....</b> | 235 |
| ▪ A – <u>World History</u> – The Rise of Jerusalem in World Prominence                |     |
| ▪ A - <u>U.S. History</u> – Choosing a Capital  |     |
| ▪ B – <u>Physics</u> – Hydrodynamics  |     |
| ▪ C – <u>Government</u> – The Office of the Chief Executive                           |     |
| ▪ D – <u>Apologetics</u> – The Importance of the Throne of David                      |     |
| <b>Lesson 37 – II Samuel 11:1-20:26 – David’s Sin .....</b>                           | 249 |
| ▪ A – <u>Psychology</u> – The Nature of Temptations                                   |     |
| ▪ B – <u>Biology</u> – The Nature of Pets   |     |
| ▪ B – <u>Sociology</u> – How Pets Help Society  |     |
| ▪ C – <u>Psychology</u> – The Importance of a Godly Example                           |     |
| ▪ C – <u>Sociology</u> – The Importance of Preserving a Godly Example                 |     |
| <b>Lesson 38 – II Samuel 21:1-14 – Results of a Broken Vow.....</b>                   | 259 |
| ▪ A – <u>U.S. History</u> – America Keeps a Vow and Breaks Another Vow                |     |
| <b>Lesson 39 – II Sam. 21:15-23:39 – I Chron. 12:1-40 – David’s Mighty Men.....</b>   | 263 |
| ▪ A – <u>Biology</u> – Mutations Leading to Fetal Development Problems                |     |
| ▪ B – <u>Physics</u> – Tones and Overtones  |     |
| ▪ C – <u>Biology</u> – Muscle and Nerve Coordination                                  |     |
| ▪ D – <u>Biology</u> – Muscle Tetany  |     |
| <b>Lesson 40 – II Sam. 24:1-25; I Chron. 21:1-30 – Choosing the Temple Site.....</b>  | 275 |
| ▪ A – <u>Biology</u> – Virulent Plagues   |     |
| ▪ B – <u>Apologetics</u> – The Significance of the Temple Site                        |     |
| <b>Lesson 41 – I Kings 1:1-3:2; I Chronicles 23:1-29:30 – David’s Old Age.....</b>    | 283 |
| ▪ A – <u>Biology</u> – Temperature Maintenance in the Human Body                      |     |

*Overview – The Reign of King Solomon*.....287

**Lesson 42 – I Kings 3:3-4:34; I Chron. 1:1-17 – Solomon's Accomplishments**....289

- A - World History – The World-Wide Impact of Solomon
- A - Government – The Nature of the Bureaucracy

**Lesson 43 – I Kings 5:1-8:21; II Chronicles 2:1-4:22 – Solomon's Buildings**.....299

- A - Biology – The Work of a Naturalist
- B - Chemistry – Osmotic Pressure
- C – U.S. History – American Inventions

**Lesson 44 – I Kings 8:22-9:9; II Chro. 5:1-8:18 – Dedication of the Temple**.....309

- A – Government – The Importance of National Prayer

**Lesson 45 – I Kings 9:10-10:10; II Chron. 9:1-12 – Solomon's Foreign Contacts**..313

- A – World History – Ethiopia
- B – World History – Improvements in Transportation
- B – U.S. History – The Use of Canals for Transportation
- C – Earth Science – Compasses and the Earth's Magnetic Field
- C – Physics – Magnetism and Compasses

**Lesson 46 – I Kings 10:11-29; II Chron. 9:13-31 – Solomon's Trading Practices**...323

- A – Economics – The Law of Supply and Demand
- B – Biology – The Nature of Apes and Monkeys
- C – Economics – The Role of the Middle Man

**Lesson 47 – I Kings 11:1-43 – Solomon's Old Age** .....

- A - Psychology – The Importance of Consistency in One's Spiritual Life
- B – Sociology – Unhealthy Influences in Marriage and Society

|  |     |
